**Section 2: Medical Information**

Does your child suffer from any medical condition that might have the effect of making it more likely that they will be involved in an accident which could cause harm to themselves or others?(i.e. asthma, epilepsy, diabetes, heart problems, allergies etc.)

Are there any reasons why your child should not participate in physical exercise?

Your child undertakes exercise at their own risk. If they feel any pain, dizziness or other physical symptoms they should stop exercising and inform their instructor immediately. Manchester Climbing Centre and its staff accept no liability unless negligence can be proven.

**Section 3: Acknowledgement of Risk**

As a parent or guardian of a user of the Manchester Climbing Centre facility you must read and sign to say that you understand the following statements:

I am aware that climbing is a physical activity and can certify to the best of my knowledge that my child does not suffer from any medical condition or ailment that will put them or anyone else at risk.

I have read the Terms and Conditions and I understand and accept them.

I accept that climbing is a hazardous activity with an element of risk.
